PROCURE IT FRAMEWORK

- 1.1 The New South Wales Department of Customer Service administers the *Procure IT Framework*.
- 1.2 The Procure IT Framework sets out the standard terms used by NSW Government buyers for the acquisition of information and communications technology related products and services. Such standard terms are set out in:
- (a) in respect of Panel Arrangements, the relevant Part 1 - Head Agreement;
 - (b) Part 2 - the Customer Contract, including its Schedules;
 - (c) Part 3 - the Dictionary;
 - (d) Part 4 - the Modules; and
 - (e) Part 5 - the Module Order Forms.
- 1.3 The NSW Procurement Board ('the Board') is established under section 164 of the *Public Works and Procurement Act 1912 (NSW)* ('PWP Act'). The Board may pursuant to section 174(1) of the PWP Act, establish a scheme under which a Government Agency accredited by the Board may procure goods and services for that Government Agency or for other Government Agencies, subject to any terms and conditions of its accreditation.
- 1.4 The Board may issue directions and policies in relation to the NSW Government's procurement system under section 175 of the PWP Act. When engaging contractors under the Procure IT Framework, Government Agencies must comply with all such directions and policies of the Board that are applicable from time to time.
- 1.5 The Contract Authority is the head of a Government Agency, which may procure goods and services for that Government Agency or for other Government Agencies consistent with any applicable policies and directions of the Board, the terms of its accreditation (if any) by the Board, and the principles of probity and fairness.
- 1.6 The relevant Contract Authority is responsible for the administration of the Head Agreement on behalf of Eligible Customers and has authority to act on behalf of these entities in this respect.
- 1.7 The *Procure IT Framework* is designed so that Products and Services can be acquired:
- (a) as a result of a panel arrangement where an entity acts as the Contract Authority and establishes a master purchasing arrangement where one or more Contractors agree to offer certain Products and/or Services to Eligible Customers at pre-agreed Prices and on pre agreed core terms and conditions, for a defined Term (**Panel Arrangement**); or
 - (b) using an alternate procurement process that does not involve a Panel Arrangement (**Non-Panel Arrangement**).

PANEL ARRANGEMENT

- 1.8 Where the *Procure IT Framework* is used for a Panel Arrangement, the Contract Authority will undertake a procurement process and the successful Contractors will sign the Head Agreement and go onto the panel. The Head Agreement requires that all Eligible Customers

who acquire Products and Services under the Panel Arrangement acquire the Products and Services using the form of Customer Contract that is set out in the *Procure IT Framework*.

- 1.9 The Head Agreement describes the relationship between the Contract Authority and the Contractor for the administration of the Panel Arrangement, including the Products and Services that can be acquired under the Panel Arrangement, how those Products and Services can be updated during the Term, the Pricing for the Products and Services, which entities are entitled to acquire Products and Services under the Panel Arrangement, which Approved Agents can be used by the Contractor to supply the Products and Services, the Term of the Panel Arrangement, the minimum insurance requirements and any Performance Guarantee that might apply to Customer Contracts entered into under the Head Agreement, as well as the general terms and conditions applicable to the relationship.

NON-PANEL ARRANGEMENT

- 1.10 Where there is no Panel Arrangement, a Customer may acquire Products or Services from the Contractor under a Customer Contract, and the terms and conditions of the Head Agreement are not to be used.

CUSTOMER CONTRACT

- 1.11 The Customer Contract describes the relationship between the Customer and the Contractor for the supply of the Products and Services that are described in the Customer Contract. Where the Customer Contract is made under a Head Agreement:
- (a) the Products and Services that can be acquired, the Prices at which they can be sold, and the degree to which the terms and conditions can be varied are limited by the terms of the Head Agreement; and
 - (b) the Customer is entitled to the benefits of any arrangements that have been made by the Contract Authority under the Head Agreement in respect to insurance and any Performance Guarantee.

- 1.12 The Parties agree to perform their obligations in accordance with the terms and conditions of this Customer Contract.

DICTIONARY

- 1.13 The *Procure IT Framework* includes the Dictionary, which defines key terms and concepts.

2. Scope of Contract

PRODUCTS AND SERVICES

- 2.1 Where the Customer Contract is made under a Head Agreement, the Contractor must supply Products and/or Services stated in the Order Documents in accordance with the Head Agreement and Customer Contract, at the Prices, which must not exceed the amounts set out in Annexure 3 to the Head Agreement.
- 2.2 Where the Customer Contract is not made under a Head Agreement, the Contractor must supply the Products and/or Services stated in the Order Documents in accordance with the Customer Contract.

PRICING

- 2.3 The Price payable by the Customer for the Products or Services is set out in Item 11 of the General Order Form. In relation to Panel Arrangements, the amounts set out in Annexure 3 to

the relevant Head Agreement are the maximum amounts payable by a Customer for the Products or Services acquired during the Term of such Head Agreement, subject to any increase made in accordance with any price variation mechanism stated in Annexure 3 to the Head Agreement. Nothing in this clause 2.3 prevents:

- (a) the Contractor from charging a Customer for any item, service, expense or other thing which is permitted to be charged for under a Customer Contract; or
- (b) the Contractor and the Customer agreeing Prices which will apply to a Customer Contract which are lower than the amounts stated in Annexure 3 to the Head Agreement.

CONTRACT PERIOD

- 2.4** The Customer Contract commences on the Commencement Date and will expire at the end of the Contract Period stated in Item 10 of the General Order Form. The Customer may extend the Contract Period on the same terms and conditions for the period stated in Item 10 in the General Order Form, by giving the Contractor written notice at least 30 days prior to the end of the Contract Period.

NOMINEE PURCHASER

- 2.5** If an Eligible Customer requires a Nominee Purchaser to enter into a Customer Contract on its behalf, the Contractor may not refuse to enter into that Customer Contract solely on the basis that the Customer Contract will be signed by the Nominee Purchaser as agent for the Eligible Customer and will not be signed by the Eligible Customer itself, provided that the Nominee Purchaser:
- (a) provides its current registration number as given by the Contract Authority or Eligible Customer;
 - (b) provides its nominating Eligible Customer's Australian Business Number; and
 - (c) provides the Contractor with the written authorisation from the Contract Authority or Eligible Customer that confirms the Nominee Purchaser's rights to purchase Products and/or Services as agent for the Eligible Customer.

3. Formation of Customer Contract

 - (b) may seek to include any Additional Conditions that vary any of the terms and conditions of the Customer Contract including the Protected Clauses, provided that the Customer first obtains the written approval of the Secretary, New South Wales Department of Customer Service in accordance with the directions and policies of the Board that are applicable from time to time.

- 3.5** The Parties may use a shortened version of the General Order Form (in hard or electronic format) which omits Items that the Parties agree are not required for the Customer Contract, provided that:
- (a) the minimum Order Details stated in clause 3.4 are included in that form, as well as any other Order Details that the Parties may agree to include;
 - (b) the structure and form of the General Order Form is consistent with Schedule 1 (even if some Items are omitted. Where Items are omitted subsequent Items that are included must retain their current Item number or heading so that the references in the Procure IT Framework remain accurate);

 - (i) uses the heading:

"General Order Form. Schedule 1 to the Customer Contract (which is Part 2 of the *Procure IT Framework*)"

"This General Order Form is part of the Customer Contract and incorporates all Parts, terms and conditions and other documents listed in clause 3.8 of Part 2 as if repeated in full in this General Order Form."
 - (d) the shortened document is signed by both Parties.

- (i) all other Order Documents;
- (j) Annexure 3 to the Head Agreement (if applicable); and
- (k) the Agreement Documents (if any).

3.9 To the extent that there is any conflict between any of the documents that comprise the Customer Contract, the conflict shall be resolved by giving priority to the documents in the order in which they appear in clause 3.8 (with an item higher in the list having priority over a lower item).

3.10 For clarity:

- (a) the terms and conditions of use of NSWBuy or any other electronic purchasing system used by the Customer are not part of the Customer Contract; and
- (b) if the Customer uses any document that has any terms and conditions on it as the basis of a General Order Form (including a purchase order) then any terms and conditions that are on that document (whether pre-printed, automatically generated or otherwise) but are not in the form and structure of the General Order Form, are expressly excluded from the Customer Contract. - 23.7** For the purpose of complying with clause 23.6, the Contractor must promptly and efficiently give the Customer and their Personnel any assistance they reasonably require.
- 23.8** The Customer and its Personnel must comply with the Contractor's reasonable security requirements.
- 23.9** Without limiting the rights of the Customer, if an audit shows that the Contractor has breached or is in breach of this Customer Contract, the Contractor must promptly do all things necessary to remedy that breach and prevent it from recurring at no cost to the Customer.
- 23.10** If an audit shows that the Contractor has overcharged the Customer in any invoice, the Contractor must promptly refund any amounts that the Contractor has overcharged the Customer, and adjust all of the current invoices that have not been paid by the Customer to ensure that the Customer is only liable to pay the correct amount.
- 23.11** The Contractor and Customer may agree an alternative audit mechanism to that provided in clauses 23.5 to 23.8, such mechanism to be specified in Item 40A of the General Order Form or otherwise as agreed in writing. NOTICES

- 23.12** Any Notice in Writing must be sent to the receiving Party's Service Address addressed to the Party's nominee for receipt of notices, or if no such position is nominated, it must be addressed to the Authorised Representative of such Party.
- 23.13** Any Notice in Writing is regarded as given and received:
 - (a) if sent by mail; 3 Business Days after it is posted;
 - (b) if sent by fax; at 9.00 am on the Business Day following the day when the addressee actually receives it in full and in legible form; and
 - (c) if sent by email; when the sender's system registers that the email has passed the internet gateway of the sender's system (and no delivery failure or out of office message is received by the sender within 24 hours of sending).

24. Dispute Resolution

- 24.1** The Parties agree to resolve any dispute between them that arises during the Contract Period out of, or in connection with, the Customer Contract in accordance with clause 24.
- 24.2** If a dispute arises out of, or in connection with, the Customer Contract during the Contract Period, then, subject to clause 24.13, the aggrieved Party must submit a Notice in Writing to the other Party of the issue, and if the issue relates to an allegation of breach of contract or any damages the notice must include details of the breach, including the relevant clauses of

the Customer Contract which are alleged to have been breached, and (if applicable) the damages claimed and how the damages are calculated (**Issue Notice**). The Issue Notice must be submitted within a reasonable time of the Party becoming aware of the issue. If the Party submitting the Issue Notice is the Contractor, then where the Customer Contract is made under a Head Agreement, the Contractor must send a copy of the Issue Notice to the Contract Authority.

- 24.3** If a Party submits an Issue Notice under clause 24.2, each Party must nominate in writing, within 7 days, a senior executive who will attempt to resolve the dispute. The nominated senior executives will promptly meet at a time and place that is mutually convenient with the objective of resolving the issue. The nominated senior executives may invite other Personnel to attend the mutually convenient conference subject to a list of additional invited Personnel being provided to the other nominated senior executive at least 24 hours prior to the conference.
- 24.4** If the Parties are able to agree upon a resolution to the dispute, the terms of the agreement are to be documented and signed by both nominated senior executives. Such an agreement will be binding on both Parties.
- 24.5** Each Party will bear its own costs under clauses 24.2 to 24.4.
- 24.6** If the dispute is not resolved within 21 days of the date that the Issue Notice was received by the other Party, either Party may then refer the dispute to expert determination in accordance with clauses 24.7 to 24.8.
- 24.7** The Party that requires that the dispute is resolved by expert determination must submit a Notice in Writing to the other Party specifying the issue to be decided by expert determination, and if the issue relates to an allegation of breach of contract or any damages the notice must include details of the breach, including the relevant clauses of the agreement which are alleged to have been breached, and (if applicable) the damages claimed and how the damages are calculated (**Referral Notice**).
- 24.8** If the dispute is to be resolved by expert determination the Parties will be bound by the provisions and procedures contained in Schedule 11 – Dispute Resolution Procedures, unless agreed otherwise in writing.
- 24.9** If a Referral Notice has not been submitted within 20 Business Days of becoming entitled under clause 24.6 then the issue is barred from expert determination or any other action or proceedings, subject to clause 24.13. The Customer and the Contractor may, in writing, agree to extend this 20 Business Days period for the purposes of continuing to negotiate a resolution of a particular dispute for up to another 20 Business Days.
- 24.10** Notwithstanding the existence of a dispute, each Party must continue to perform its obligations under the Customer Contract during the period of the attempt to resolve the dispute .
- 24.11** Unless the Parties otherwise agree in writing, clauses 24.7 to 24.8 do not apply to any dispute:
- (a) for which either Party's claim exceeds \$250,000 or the amount stated in Item 41 of the General Order Form;(b) that involves a party claiming that a statutory guarantee under the CCA is involved in the dispute; or
 - (c) which relates to an issue of the type stated in Item 41 of the General Order Form.

In this case if the dispute is not resolved within 15 Business Days of the date that the Issue Notice was received by the other Party, either Party may commence any other form of resolution, including court proceedings.

- 24.12** The amount specified in Item 41 of the General Order Form shall include the total amount being claimed by both Parties including the amount of any cross claim but excludes any set offs, interest and legal costs. If the Parties are unable to agree on the total amount being claimed each Party shall submit a claim to the other Party detailing the nature of the claim, the relevant term of the Customer Contract which has been breached and how it calculated the amount of its claim. Where only one Party is submitting a claim the other Party shall be entitled to submit its estimate of the amount of the claim to the other Party. If the calculations of each Party differ from one another the amount in dispute for the purposes of Item 41 of the General Order Form shall be calculated by totalling the value of all the claims or estimated amount of the claims together and dividing that amount by the total number of claims and estimated claims.
- 24.13** The provisions of clauses 24.2 to 24.12 do not apply where a party seeks urgent interlocutory relief or where a Party has terminated the Customer Contract for a Substantial Breach or Fundamental Breach of the Agreement.

25. Termination

- 25.1** If the Customer Contract is made under a Head Agreement then termination or expiry of the Head Agreement does not affect the Customer Contract, unless the context necessarily requires it.

TERMINATION FOR CAUSE BY THE CUSTOMER

- 25.2** The Customer may terminate the Customer Contract immediately by providing the Contractor Notice in Writing if:
- (a) the Contractor suffers an Insolvency Event; or

TERMINATION FOR CONVENIENCE BY THE CUSTOMER

25.3 The Customer may by Notice in Writing at any time terminate the Customer Contract for convenience, such termination to be effective immediately unless stated otherwise on the Notice in Writing. The Contractor must immediately comply with any directions given in the Notice in Writing and must do everything that is reasonably practical to mitigate its losses arising in consequence of termination of the Customer Contract under this clause 25.3.

25.4 If the Customer exercises its right under clause 25.3, the Customer must:

- (a) if Item 42 of the General Order Form does not state an amount that is payable on termination, indemnify the Contractor against any losses, damages or expenses, which are reasonably and properly incurred by the Contractor to the extent that those losses, damages or expenses were incurred as a direct result of the termination of the Customer Contract in accordance with clause 25.3; or

- (c) committed, in respect of its:
 - (i) privacy obligations under the Customer Contract:

 - (ii) obligations of confidentiality under the Customer Contract:

- (A) more than one Unremedied Breach; or
 - (B) more than one breach which is incapable of remedy and, after the first such breach, the Customer has failed to take reasonable appropriate action to mitigate against the recurrence of such a breach; or
- (iii) obligations as to the Contractor's Intellectual Property Rights under the Customer Contract:
- (A) more than one Unremedied Breach; or
 - (B) more than one breach which is incapable of remedy and, after the first such breach, the Customer has failed to take reasonable appropriate action to mitigate against the recurrence of such a breach;

where, for the purposes of this clause 25.6(c), "Unremedied Breach" means a breach which is capable of remedy and which has not been rectified within 28 days (or such longer period as stated in the Notice in Writing) of receipt of a Notice in Writing from the Contractor specifying the details of the breach; or

- (d) suffered an Insolvency Event.

CONSEQUENCES OF TERMINATION

- 25.7** In the event of termination under clause 25.2, the Customer may obtain from any other source a reasonably similar alternative to the Deliverables in which case the Contractor shall, subject to clause 18, be liable to the Customer for any reasonable losses, damages or expenses incurred (including any price difference between the Deliverable and the similar alternative) or suffered by the Customer.
- 25.8** If the Customer Contract:

 - (c) such termination or expiry is without prejudice to any right of action or remedy that has accrued or may accrue to either Party.
- 25.9** On termination of this Customer Contract for any reason:
- (a) subject to any obligations arising out of any applicable State security classification or Statutory Requirements or specified in the Order Documents, a Party may retain for quality assurance and risk management purposes any notes and other records created or received in providing the Product or performing the Service provided that any retained notes or records are subject to the confidentiality obligations in accordance with clause 14;

- 26.2** Where required under directions and policies issued by the Board from time to time, the Customer must obtain the written approval of the Secretary, New South Wales Department of Customer Service prior to agreeing to a variation of any term or condition of the Procure IT Framework, including a variation to any of the Protected Clauses. - 26.10** Each Party must make all reasonable efforts to minimise the effects of the Force Majeure Event. If the affected Party is prevented from performing its obligations under the Customer Contract by the Force Majeure Event for 60 days or such other period agreed in writing, then the other Party may in its discretion immediately terminate the Customer Contract by giving Notice in Writing of termination to the other Party.

INTERPRETATION

- 1.128** The following rules also apply in interpreting any Part, except where the context makes it clear that a rule is not intended to apply.
- (a) A reference to:
 - (i) legislation (including subordinate legislation) is a reference to that legislation as amended, re-enacted or replaced, and includes any subordinate legislation issued under it;
 - (ii) monetary references are references to Australian currency;
 - (iii) a document or agreement, or a provision of a document or agreement, is a reference to that document, agreement or provision as varied, assigned or novated;
 - (iv) a reference to a "Part [number]" is a reference to that specific Part only; e.g. "Part 3" is a reference to Part 3 only. A reference to "Part" without a number is

- a reference to the Part in which the reference to that Part appears e.g. if the phrase "clause 3 in this Part" appears in a clause in the Customer Contract , then this is a reference to clause 3 in the Customer Contract only;
- (v) a person includes any type of entity or body of persons whether or not it is incorporated or has a separate legal entity; and
 - (vi) anything (including a right, obligation or concept) includes each part of it.
- (b) Where a word or phrase is given a particular meaning, other parts of speech and grammatical forms of that word or phrase have corresponding meanings.
 - (c) If an agreement expressly or impliedly binds more than one person then it must bind each such person separately and all such persons jointly.
 - (d) A singular word includes the plural, and vice versa.
 - (e) The words "include(s)" and "including" are not words of limitation.

 - (g) Where there is an obligation that requires the completion of a particular Order Document, including a PIPP or Service Level Agreement, but the particular Order Document is not incorporated into the Customer Contract because it is not stated in the General Order Form that the particular Order Document is included in the Customer Contract, then that obligation does not form part of the relevant Customer Contract.
 - (h) The Parties may undertake business by the electronic exchange of information and the provisions of each Part will be interpreted to give effect to undertaking business in this manner. To the extent permitted by law, any Part or any Order Document, including the General Order Form may be in electronic format.
 - (i) Where there is a shortened version of the General Order Form, Module Order Form or other Order Document, and the Order Details (details placed under an Item number) have been numbered differently in the shortened version of the Order Document to the Item numbering in the pro forma template of the relevant Order Document, then the references to the Item number in the relevant Part of the Procure IT Framework shall be interpreted as a reference to the relevant Item in the shortened version of the relevant Order Document notwithstanding the actual Item number used in the shortened version of relevant Order Document, e.g. if in a shortened General Order Form the Order Details relating to Credit/Debit Cards are included under Item number 16 in the shortened General Order Form, then the reference to "Item 33" in clause 11.3 of the Customer Contract shall be interpreted as a reference to Item number 16 in the shortened General Order Form.

INTERPRETATION

- 1.3 Other capitalised words and expressions used in this Module are defined in the Dictionary of the Procure IT Framework.

2. Professional Services Period

- 2.1 Unless otherwise agreed in the General Order Form or the relevant Module Order Form, the Professional Services must be provided for the Contract Period unless the Customer Contract is terminated earlier in accordance with its terms.
- 2.2 If no Contract Period is specified in the Order Documents and the Professional Services are provided on a time and materials basis, then the Professional Services will be provided from

the Commencement Date until either Party cancels the Professional Services by providing 30 days prior Notice in Writing to the other.

3. Scope of Professional Services

SCOPE

- 3.1 The Parties will set out in the Module Order Form or a PIPP the details of the Professional Services which may include:

PROJECT IMPLEMENTATION AND PAYMENT PLAN (PIPP)

- 3.2 If there is no PIPP agreed at the time the Customer Contract is signed by the Parties, and it is stated on the Module Order Form that a PIPP is required, the Contractor must prepare a draft PIPP for the approval of the Customer prior to the commencement of the Professional Services. Within 5 Business Days of receipt of the draft PIPP the Customer must:
- (a) approve the PIPP; or
 - (b) provide written notice of any changes to the draft PIPP that it requires, and provided those changes are reasonable, the Contractor must update the PIPP and re-submit it for approval by the Customer.
- 3.3 Once the PIPP has been approved by the Customer it forms part of the Customer Contract and the Contract Specifications are updated accordingly.

REPORTING

- 3.4 The Contractor must monitor the progress of the Professional Services and provide the Customer with status reports at monthly intervals, or such other intervals as is agreed by the Parties which, at a minimum, include the following issues:
- (a) the issues and risks that the Contractor recommends be pro-actively addressed to avoid delays;

CUSTOMER DIRECTIONS

- 3.5 The Contractor must comply with all reasonable directions of the Customer as may be given to the Contractor from time to time in respect of the delivery of the Professional Services, provided that such directions are consistent with the requirements of the Customer Contract. Where such direction:
- (a) causes the Contractor's costs to increase, the Customer must pay for any increase in the Contractor's costs at the Contractor's time and materials rates (calculated using the rates set out in the Customer Contract, or if none are stated, at the Contractor's then current commercial rates) plus any expenses; and
 - (b) causes the Contractor not to be able to meet any timetable for delivery, then the timetable must be extended to the extent that it is reasonable given the nature of the direction and the impact on the Professional Services.
- 3.6 Nothing in clause 3.5 affects the Contractor's right to exercise its own judgment and to utilise its skills as it considers most appropriate in order to achieve compliance with the Customer's reasonable directions or otherwise to comply with the Contractor's obligations under the Customer Contract.
- 3.7 Subject to otherwise complying with its obligations under the Customer Contract, the Contractor must exercise its independent discretion as to the most appropriate and efficient manner of providing the Professional Services and satisfying the Contractor's obligations under this Customer Contract.

EMPLOYEE RELATIONSHIP

- 3.8 The Contractor undertakes to comply with all Statutory Requirements in relation to itself and any of its employees or contractors, including in relation to workers compensation, payroll tax, income tax, fringe benefits tax, PAYG tax, group tax, superannuation contributions, annual leave, long service leave and personal leave awards, industrial instruments and any other employment entitlement.
- 3.9 The Contractor acknowledges and agrees that:

 - (b) neither it, nor its Personnel have, pursuant to this Customer Contract, any entitlement from the Customer in relation to any form of employment or related benefit.

4. Acceptance Tests and Use

- 4.1 Where the Professional Services are for the creation of a specific Deliverable for which the Parties have agreed that the Deliverable is to undergo Acceptance Tests then:
- (a) the Customer must not use any part of the Deliverable for its business purposes and/or in a production environment without first undertaking Acceptance Tests in accordance with clause 10 of the Customer Contract; and
 - (b) it is acknowledged and agreed by the Customer that if the Customer uses the Deliverable for its business purposes and/or in a production environment before the Deliverable has passed its Acceptance Tests in accordance with clause 10.9 of the

Customer Contract (as opposed to where the Deliverable is merely deemed to have passed its Acceptance Tests under clause 10.13 of the Customer Contract) the Customer is taking a significant risk in using untested Deliverables, and accordingly the Contractor is not liable for any loss, damage or expense caused by such use of the Deliverable.

5. Restraint

- 5.1 The Customer must not, without the prior written consent of the Contractor, whether on its own behalf or on behalf of any other person and in any capacity:
- (a) encourage any of individual who has performed any Professional Services to:
 - (i) stop working for or providing services to the Contractor; or

 - (e) during the period that the individual performed the Professional Services and a period of 6 months thereafter;
 - (f) during the period that the individual performed the Professional Services and a period of 3 months thereafter; and
 - (g) during the period that the individual performed the Professional Services.
- 5.2 Clause 5.1 is to be construed and have effect as the number of separate restraints that arise by separately combining each of the subclauses in 5.1(a) and (b) above with the restraint periods listed in each of the subclauses in (c) to (g) above. Each of the covenants that result from a combination of the restraints in subclauses 5.1(a) and (b) with the restraint periods in subclauses (c) to (g), constitute and are to be construed as having effect as separate, distinct, severable and independent provisions from the other covenants, but cumulative in overall effect. If any of the covenants or parts of the covenants resulting from the operation of this clause, are unenforceable they will be severed from the remaining enforceable covenant or part thereof.
- 5.3 The Customer agrees that the remedy of damages may be inadequate to protect the interests of the Contractor from a breach of the Customer's obligations under this clause 5 and the Contractor is entitled to seek and obtain injunctive relief, or any other remedy, in any court.
- 5.4 A general solicitation for employment which is placed in good faith such as a newspaper advertisement shall not constitute a breach of clause 5.1.
- 5.5 The Parties agree that the restrictions in clauses 5.1 to 5.4 are necessary to protect the legitimate interests of the Contractor.

6. Specific Warranties

SCOPE

- 6.1 Where the Professional Services are provided on a fixed price basis:
- (a) the Contractor warrants that any Deliverable (other than any Customer Supplied Item) will meet the Contract Specifications in all material respects during the Warranty Period, subject to the Exceptions; and

Any remedy that is implemented is warranted only during the remainder of the Warranty Period.
- 6.2 Owing to the nature of the subject matter, but subject to clauses 6.1, 6.3, 6.4 and 7, the Contractor expressly excludes any warranty that:
- (c) any Deliverable will be error free;
