[Redacted content]

SCHEDULE D3

Planning Approvals

(Clause 1.1)

The Planning Approvals which form this Schedule D3 are included in Schedule F1 as electronic files.

SCHEDULE D4

Approval Conditions

(Clauses 1.5, 4.3(e), 7.2(a) to 7.2(c))

1. THE PRINCIPAL'S OBLIGATIONS IN RESPECT OF APPROVALS

The SCAW Contractor must, in performing the SCAW Contractor's Activities, comply with all of the obligations, conditions and requirements of the Approvals except to the extent that:

- (a) this Schedule D4 provides that the Principal will comply with the obligation, condition or requirement or Schedule D4 limits the SCAW Contractor's obligation in respect of that obligation, condition or requirement; or
- (b) subject to the next paragraph, the obligation, condition or requirement requires the performance of activities which can only be performed after the Portion Handover Date (such as a condition to carry out ongoing monitoring).

Nothing in paragraph (b) in any way limits or affects:

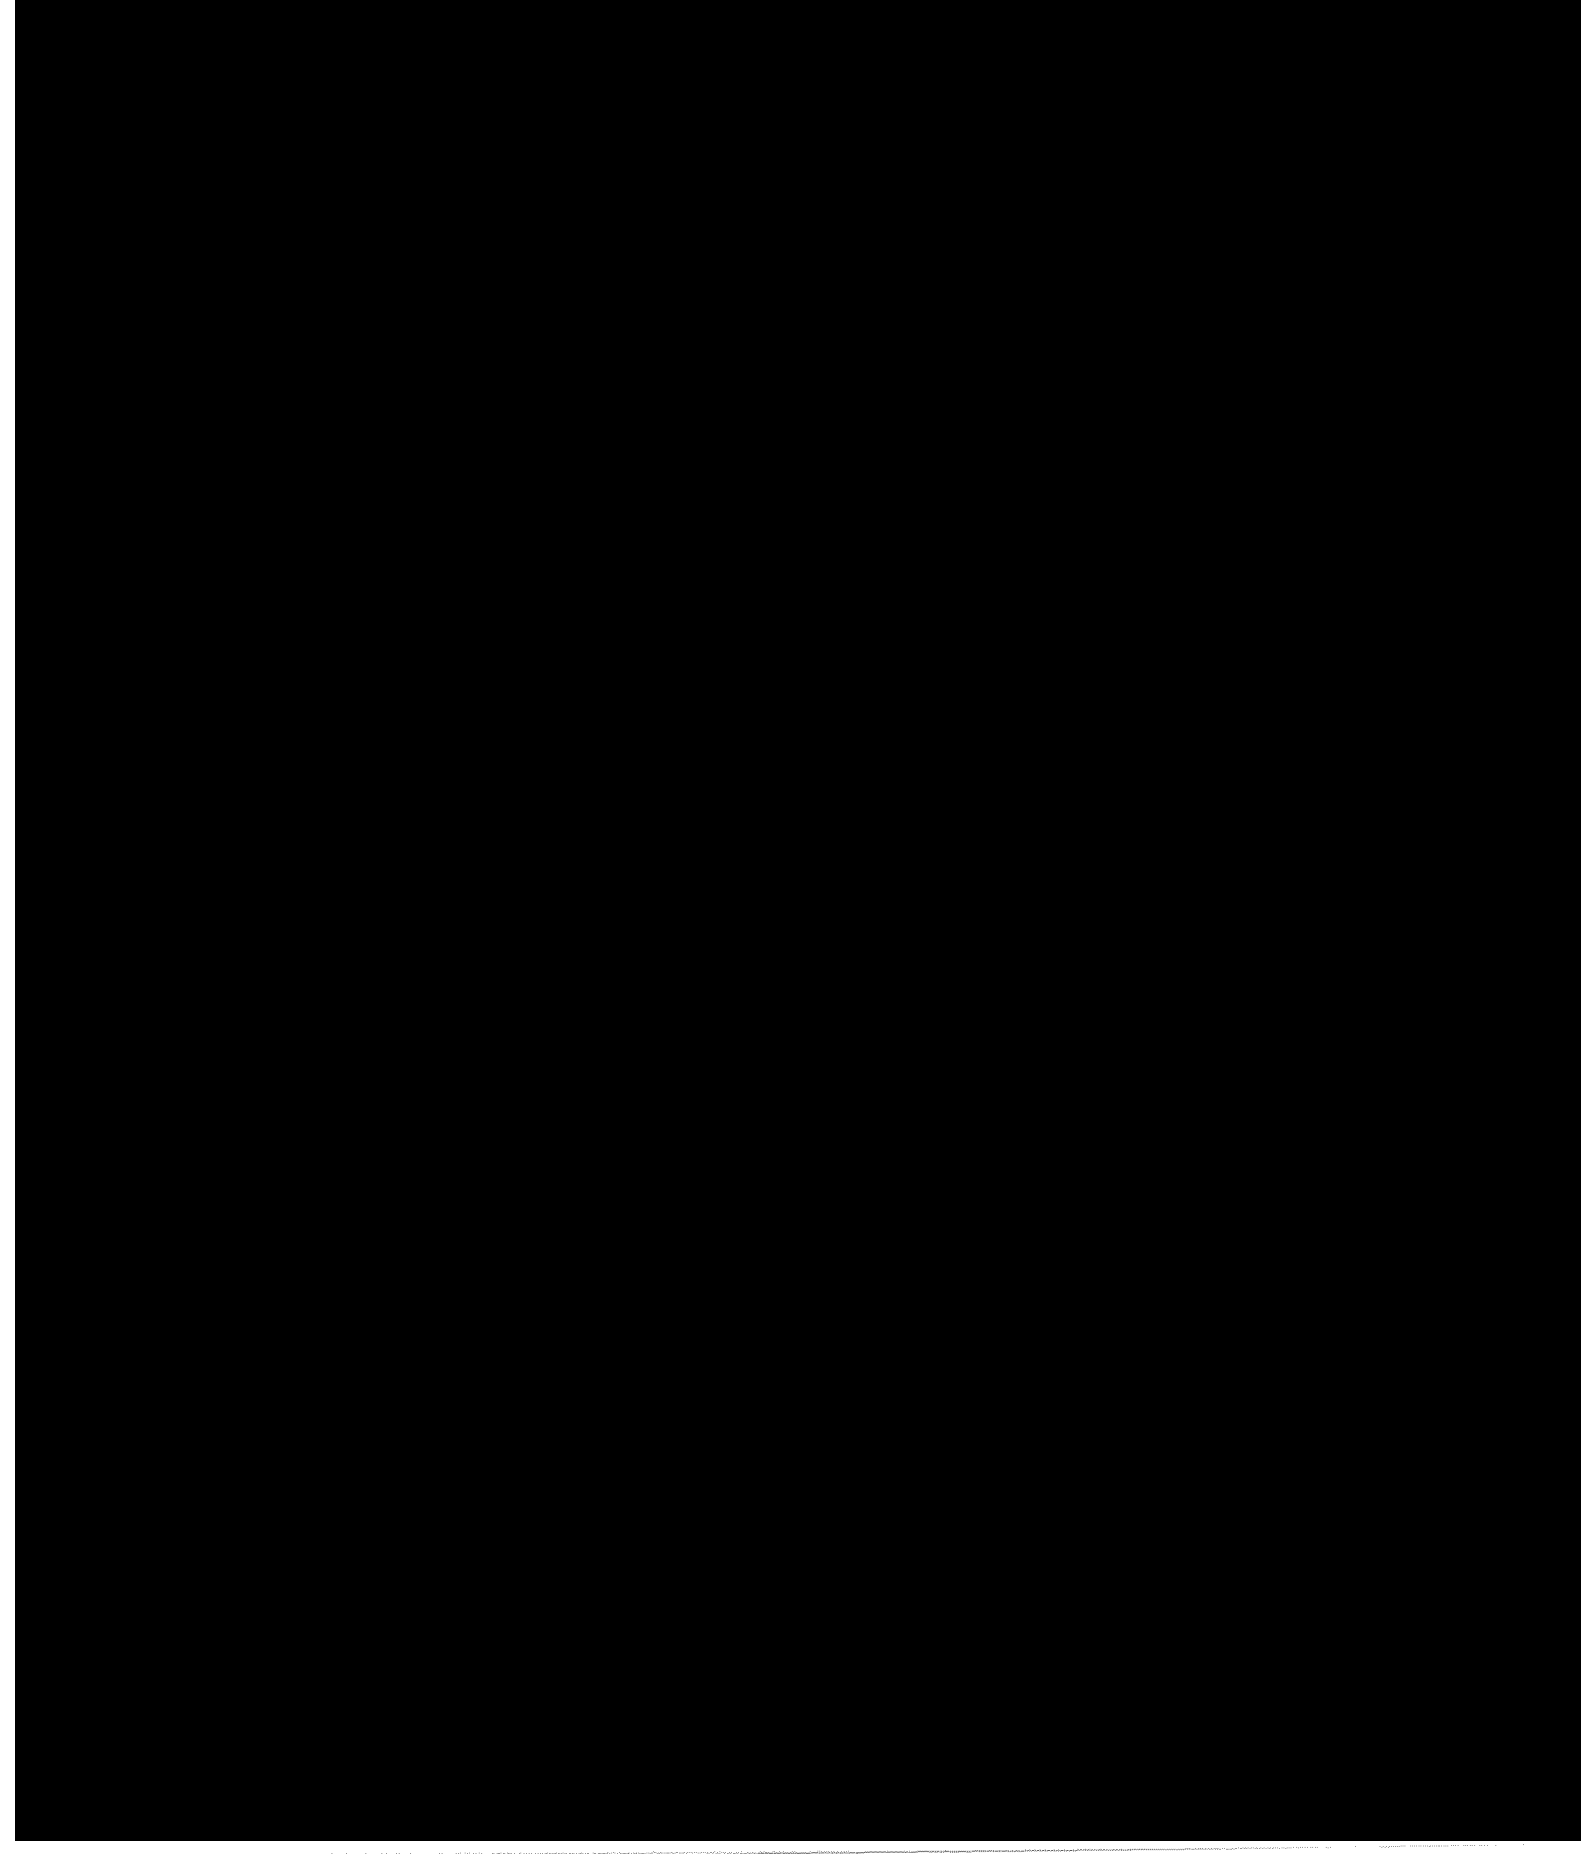

- (c) any obligation of the SCAW Contractor under any other provision of this deed (including the SCAW Specification), including in relation to property damage or the rectification of Defects, which may require it to perform activities after the Portion Handover Date; or
 - (i) the SCAW Contractor's obligation to comply with conditions E85, E86, [E90] and E108 of the Project Planning Approvals; or
 - (ii) any directions, recommendations or findings made by the Independent Property Impact Assessment Panel established pursuant to condition E88 of the Project Planning Approval in respect of any monitoring, rectification or reinstatement works.

2. PROJECT PLANNING APPROVAL
